

FAASTeam Flight Instructor Open Forum (All Pilots are Invited to Attend)

If you fly you have an interest in weather. If you are a CFI you have the responsibility of teaching and interpreting weather on the ground and in-flight. FAASTeam Flight Instructor Open Forums provide an opportunity for CFIs, Ground Instructors, DPEs, pilots and the FAASTeam to meet and discuss causal factors in GA accidents.

Directions: From I-5 north or south, follow the signs to Boeing Field. The Boeing Field Main Terminal is on the east side of the field. Room 110 is on the left as you enter the terminal building through the front doors.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
